

LexternWeb: A Legal Externship Resources Website

An updated version of LexternWeb was launched by the American Association of Law Schools (AALS) Clinical Section Externship Committee in 2017 and is managed by Professor Kendall Kerew of Georgia State University. It builds on the original LexternWeb created by J.P. Ogilvy at The Catholic University of America in 2009.

Please find the website with links to many useful teaching tools here: <https://www.lexternweb.org/>
