→ [PUBLIC TRANSPORT IN LIVERPOOL](#)

Please be aware that there is likely to be industrial action on trains/buses during the week of the conference. For this reason, we would advise that you consider travelling directly to Manchester/Liverpool airport rather than arriving into London and looking for a connection to the North of England, as there is likely to be disruption. Coaches will run, but the journey is far longer and less convenient than by train.

[Merseytravel | Liverpool City Region Travel Information](#)

→ [ACCOMMODATION](#)

Liverpool has a large number of hotels, Airbnbs and other accommodation. We think the best locations are:

- [The Georgian Quarter](#) - brings you close to the conference venues, in one of the most beautiful and historic areas of Liverpool.
- [The Albert Dock](#) area is 15-20 minutes' walk from the conference venues but brings with it stunning views of the waterfront.

Accommodation options within the block of streets closest to the university conference venues are not necessarily the nicest! [TripAdvisor](#) ratings are usually pretty fair, so we recommend you check those out when thinking of where to book.
